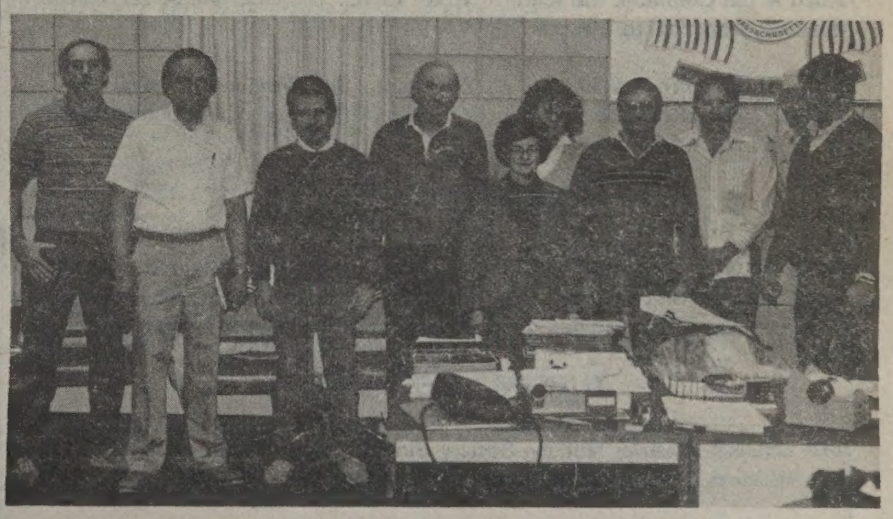
Grondbreaking Ceremonies Held in Sutton

Following the indoor ceremony, the crowd moved outdoors for the cremonial groundbreaking.

Monday's rains didn't dampen the spirits of the overflowing crowd at Sutton High School as groundbreaking ceremonies for renovations and additions to Sutton's Memorial Junior/Senior High School were held in the gym.

Students, faculty, and parents packed the auditorium to hear comments from well-wishers, most of whom were involved in the undertaking.

Mary Slocum, Chairman of the School Building Committee, reminded those gathered that the project was first begun 25 years ago. She noted that many individuals who were students at that time now have children of their own attending the school.



CHRONICLE photo by Steve Gagne

Members of the Executive Committee for Millbury's 175th Anniversary Celebration (left to right): Gordon Clark, Stuart Mulhane, Bill Kane, Paul Emmons, Grace Laflash, Christine St. Germaine, Dennis Leonard, Tim Johnson, Joe Sullivan, Fred Vulter. (Absent from the photo was Steve Gagne)

175 Anniversary Committee Starts The Countdown

Millbury's 175th Anniversary Committee has been hard at work making plans for a full range of activities to be held from Saturday, June 11 to Monday, July 4th. According to Chairman Fred Vulter, the festivities will begin with a "block party" to be held in Millbury center. Main Street will be blocked off and various non-profit groups will set up stands offering a wide variety of items. While there is still space available, representatives are urged to contact the committee early to ensure that their organization will be represented in the celebration. Three bands will also be featured at the party: a polka band, an Irish band, and a rock band.

The following weekend, Saturday, June 18, will feature the Worcester Pops Orchestra in concert and a fireworks display at Windle Field.

June 26th will be the date for a bicycle race during the day, and tentatively, the date for the 175th Anniversary Ball. The affair, which will be a Period Dress or Formal Dress Ball, promises to be a gala evening. While many residents have already inquired about purchasing tickets for the ball, a firm date and location are yet to be finalized.

Starting June 30 and continuing until July 4, the Lions will be sponsoring their annual Fourth of July Celebration in conjunction with Millbury's 175th. The carnival will also feature spectacular fireworks displays on Saturday, Sunday, and Monday nights.

To cap off the festivities there will be a gala parade on Sunday, July 3, which will include the Shriner's Band. "We hope that the community - the businesses and the church and civic organizations - join with us and contribute to the parade by entering floats," Vulter said.

The committee has prepared a first rate schedule of activities in a relatively short period of time, but a great deal of work remains to be done. "The committee would be grateful for any help from anyone or any organization," Vulter said. "We are counting on the merchants in the community to help us put together a memorable series of events."

Anyone wishing to help can contact Fred Vulter, Paul Emmons, or George Kane.

Celebrate 50th Wedding Anniversary

Photo Courtesy of Myers Family

Wright's Farm in Nasonville, Rhode Island, was the setting for the celebration of the 50th wedding anniversary of Mr. and Mrs. Alfred Myers of Sutton on November 20.

The Myers, along with their children, friends and relatives, had a very enjoyable evening. Family and friends would like thank everyone who helped to keep the event a surprise.

A hearty "Congratulations" to Mr. and Mrs. Myers for 50 years of marriage.

CALENDAR

SATURDAY, DECEMBER 5

SUTTON...The monthly supper at the First Congregational Church, Boston Road at the Common, will feature "Roast Lion". The meal will be served continuously from 5:00 to 7:00 p.m.

MILLBURY SELECTMEN'S MEETING DIGEST

Board of Health Limits Landfill to Household Trash

By Edward J. Cooney

NOVEMBER 24, 1987

Chairman Cristo called the meeting to order at 7:00 p.m. with all members present. Warrants were signed and minutes of October 27th were approved as corrected.

Administrator Earl Chase then presented his weekly report.

- Chase informed board members that Tom Taylor, from Ropes and Gray, will attend the December 18th meeting to review the financial authority and structure of Wheelabrator-Millbury.

- Chief Brady is still awaiting a release from his doctor to return to work.

- Chase asked the Board to note that the agenda item concerning the Providence Street School was dropped as the sale has been finalized.

- Under "Old Business", the Board voted 5-0 to appoint Halfred Chambers to the Council on Aging, replacing Alfred Bazin, who offered his resignation.

Mrs. Francis Cofske was present to speak in support of Chambers, citing his assistance and support of the Council's activities. Mrs. Cofske also cited the need of a "gentleman" on the Council to maintain a balance of men and women. Board members agreed, as evidenced by their unanimous vote.

- Cristo asked Chase to see if he could set up a form for updating the board on revenues received from the resource recovery plant. Cristo suggested that such a form would record the tonnage and revenues and would keep the board informed and updated throughout the year.

- Under an agenda item concerning the proposed transfer station, Chase told the board that a letter was included in each member's packet of information. The letter was a memo from the Board of Health, sent to all businesses in Millbury concerning the present landfill.

The letter read, in part, as follows: "Because of the limited dumping area remaining at our landfill, the Board of Health regrets that it must take drastic measures to assure that we have enough space left until we construct a proposed transfer station on the site.

"We find that we must enact restrictions on the amount and type of trash that we can accept for dumping. Beginning immediately, the landfill will accept household trash only. All other trash will be sent directly to the resource recovery plant on Rte. 20, at no charge to the hauler or individual. Authorization forms must first be obtained from landfill personnel.

"Any business that does not already engage a commercial rubbish hauler to transport their trash to the plant, and wish to transport directly to the plant themselves, must have a self-contained dump body truck. Copies of the truck's certificate of insurance and certificate of workman's compensation for drivers must be submitted to the Board of Health Office."

- At 7:15, the Board voted 5-0 to move into Executive Session for the purpose of discussing a grievance under a matter pertaining to union negotiations. Acting Chief Ron Stokowski was present to discuss the grievance which concerned the manner and process of electing an acting chief of police.

After 45 minutes in Executive Session, the Board returned to open meeting at 8:00 p.m.

- The Board approved a pole relocation on Rice Road as requested by New England Telephone. There was no negative reaction from abutting property owners who were in attendance for the hearing.

- Gary Nelson, chairman of the Capital Budget Committee, was present to discuss several questions concerning the role of his committee in view of the fact that the revenue sharing program has ended. Nelson noted that there is 300,000 to 400,000 dollars left in the revenue sharing account which would be depleted, possibly within the next year. He raised the question as to whether the Capital Budget Committee should be channeling funds into an account to be used like revenue sharing. Nelson cited the basic purpose of the committee, which is to develop a 5-year plan for capital expenditure items submitted by the various town departments. Cristo noted that approximately $900,000 would be coming in to the town over the ensuing 12 months from the resource recover plant. "Twenty-five percent of that would go to the stabilization fund which approximates funds from revenue sharing," said Cristo.

Introducing the

Transformer Mortgage

Because rates that go up, can come down.

If mortgage rates that go up can come down, why lock into a high fixed rate now?

With the Transformer Mortgage from Fidelity Co-operative Bank, you don't have to. The Transformer lets you pay a low adjustable rate now **or** lock into a fixed rate security at your option. You can keep your adjustable rate until fixed rates are lower, and convert to a fixed rate at no cost to you anytime between the first anniversary and the fifth anniversary of your loan, **or** lock in a fixed rate up to seven days prior to closing. The decision if and when to lock in is yours. That's the Fidelity Transformer advantage.

Initial Rate	Annual Percentage Rate
plus one point **7.875%**	***9.438%**

If you want the Fidelity Transformer Mortgage, just stop by or call any one of our offices.

Because rates that go up, can come down...

Millbury Savings Bank Posts Gains

MILLBURY. Millbury Savings Bank reported increased assets, deposits and total operating income gains at their annual meeting held recently at the Cocke 'N Kettle Restaurant in Uxbridge.

President Dudley F. Bowker reported total operating income of $5,353,000, up from $5,077,000. Assets increased to $61,697,872, an 18 percent gain from $52,379,662. Deposits increased 20 per cent to $56,379,903 from $46,993,435. Mr. Bowker reported income before federal and state taxes of $930,000, down from the record year in 1986 of $1,119,000.

Real Estate Loan Portfolio increased to $30,306,394 from $25,474,275 in 1986. The Bank's net worth increased to $4,870,000 from $4,637,000 representing an 8.79 per cent of surplus to deposits.

Dividends paid to depositors for the year were $3,183,000.

At the meeting, Barry F. Crosby was elected Vice President. Dr. Joanne T. Jozefowski was elected a Trustee. New Corporators elected were Barry F. Crosby, Richard A. Sheils, Jr., and Alan M. Tuttle.

All officers were re-elected. In addition to Bowker, the officers are Kenneth J. Botty and Francis A. Gatto, Vice Presidents; and Paul R. O'Connell Jr., Clerk of the Corporation. Trustees re-elected were Dudley F. Bowker, George H. Chabot, Eloise G. Ducharme, James M. Beauregard, William G. Holmes, and George B. Stowe.

MILLBURY SENIOR NEWS

CHRISTMAS PARTY - On December 13th, the annual Christmas Party will be held at the ITAM Club in Worcester from 6:00 to 10:30 p.m. The cost per person is $12.00. Music will be provided by "Stanley". You may pay for and pick up your tickets during the regular hours at the Senior Center. All tickets must be picked up by December 4th.

CHRISTMAS OPEN HOUSE - On December 17th, a Christmas Open House will be held at the Senior Center from 10:00 a.m. to noon. Punch, goodies, and entertainment will be provided. Anyone interested in staying for the Christmas lunch must make reservations 24 hours in advance.

AFGHAN RAFFLE - The craft class will raffle off a beautiful "Rose" pattern afghan for Christmas on December 17th at the Open House. Tickets, at a cost of $1.00 each, may be purchased at the Senior Center.

CRAFT STORE - The craft store is open during the regular hours of the Senior Center. Many new items are available, including lots of mittens, sweaters, vests, afghans and stocking stuffers.

CRAFT CLASS - A craft class is held every Wednesday morning from 9:30 to 11:30 a.m. New people are always welcome.

DRIVERS NEEDED FOR HOME DELIVERED MEALS - Volunteers are needed for home delivered meal routes on Fridays. The route takes approximately 1 1/2 hours and drivers are given $2.00 per day and 23 cents per mile car allowance. Call Judy at the Council on Aging Office at 865-9154 for more information. Volunteers are most important to the services provided to the elderly.

DECEMBER HIGHLIGHTS

DECEMBER 9, 3:30 p.m.: HOLIDAY DECORATION WORKSHOP. Kids will especially enjoy this program. Library elves will teach participants how to make decorations for the holiday season. Registration is necessary.

DECEMBER 10, 3:30 p.m.: "Christmas Bells Are Ringing" with Ruth Shimkus. Join your friends at the Library for a spirited Christmas bell ringing demonstration by Millbury's own Ruth Shimkus. Mrs. Shimkus promises to give everyone a chance to "ring those Christmas bells".

DECEMBER 18, 6:30 p.m.: CAROLING. Library carolers and their friends invite you to join them for an evening of fun and singing as they stroll through the streets of Millbury in song. Refreshments and treats will be served at the end of the evening.

DECEMBER 19, 11:00 a.m.: AILI PAOL SINGERS HOLIDAY PROGRAM - Join the Aili Paol singers in the celebration of the holiday traditions of other cultures and other lands. This program is sponsored by the Friends of the Millbury Public Library. Registration starts December 15th.

DECEMBER 29: ***ONE FLEW OVER THE CUCKOO'S NEST*** **by Ken Kesey.** This first book of a three part reading discussion series to be hosted by Alexander Belisle, Professor of English at Becker Junior College and Publisher of the Millbury-Sutton Chronicle, will be available at the Library. In order to make sure everyone gets a copy of this great book, multiple copies will be made available through January. Discussion of ***One Flew Over the Cuckoos Nest*** will take place on January 28, at 6:30 p.m.

Kollios Reports Win for Nursing Home Residents

BOSTON. A bill to tie the monthly "personal needs allowance" for nursing home residents to the cost-of living index has passed the Massachusetts House of Representatives. The measure, supported by Rep. Paul Kollios (D-Millbury), and the Committee on Human Services and Elderly Affairs, which he chairs, would allow for yearly cost-of-living adjustments to the personal needs allowance received by nursing home residents on Medicaid. According to Kollios, "This bill is needed for the 75% of nursing residents receiving Medicaid. The allowance, now set at $65 a month, must cover all personal needs such as clothes, books, telephone bills and presents for friends and family. These are the basic things of life that institutional care does not provide. Year after year," Kollios said, "nursing home residents and their advocates have had to push the legislature for increases simply to keep up with inflation. This bill would provide them with automatic increases tied to the inflation rate."

The bill, the number one priority of nursing home residents and their advocacy organization, Living Is For the Elderly (LIFE), is currently being considered by the Senate.

General Heat Waste Contractors Sought by MOC

The Montachusett Opportunity Council (MOC), Inc. Energy Services Program will be sponsoring two open meetings for contractors or individuals interested in becoming General Heat Waste (GHW) contractors with the Weatherization Assistance Program.

Typical work performed by GHW Contractors includes weatherstripping, caulking, reconditioning windows, repairing doors, replacing glass, glazing and some minor carpentry work.

MOC-Energy is currently starting new contractors at $12 per hour.

The Weatherization Assistance Program has been sponsored by the US Department of Energy and the State of Massachusetts for over 10 years.

According to Brian Angus, Director, "Last year, in addition to DOE and State funds, Governor Dukakis allocated $52 million from the Exxon overcharge settlement. This has caused tremendous program expansion which will continue into the coming years."

The Exxon overcharge money resulted from a court order against Exxon because of overpricing policies during the oil shortage of the seventies.

All contractors or individuals who believe they have the skills necessary and the desire to be an independent contractor are encouraged to attend one of the meetings.

The first meeting is scheduled from 6 to 8 p.m. on December 8 at the Auburn Elks Lodge, 754 Southbridge Street, Auburn.

The second meeting will held from 6 to 8 p.m. on December 10 at the K of C Hall, 487 Worcester Street, Southbridge.

Additional information may be obtained from MOC Energy Services, 65 Southbridge Street, Auburn (795-7245).

DEADLINE

The deadline for all submissions to the *Millbury-Sutton Chronicle* is 12:00 noon on Saturday of the week prior to publication.

PACK 143
ST. MARK'S - SUTTON

November was a very busy month for us. On the 14th, Webelos John Yeaton, Richard Fisette and Evan Ferrell along with there leaders, Mr. Fisette and Mr. Yeaton were invited to hike with the scouts from Troop 150. Just over 5 miles was covered, with hot dogs and hot chocolate over an open fire at the end.

On the 22nd, all the Webelos met and presented Father Walsh with their Thanksgiving food basket. The boys and their leaders did a great job again this year. We are all very proud of their efforts.

Again this year, we thank Mrs. Mary Goretti and Goretti Supermarket for their generous donations.

Our Pack Meeting was held on the 24th. The following list of achievements shows how hard the boys worked.

BOBCATS

BRAD ALLEN
ROSS HUSTED
WILLIAM ROBSKY

A very big **"THANKS"** goes out to Mr. Ken Lane and his three children for a most interesting and entertaining demonstration on Indian life. Mr. Lane is a scoutmaster for Troop 22 and a Den Leader in Pack 22 from Hadwen Park Congregational Church. Right now would be a good time to mention Mr. Bjorn's excellent job at the Feather Dance, but we promised we would not say anything.

On the 28th, Troop 150 invited Mr. Wassell's Webelos on another hike. This time Neil Petkus, Scott Wassell, Mark Brigham, Mr. Wassell and Mr. Brigham accompanied the scouts and leaders. Mr. Robsky's Webelos den has been invited on an outing with the troop for December.

Speaking of December, several reminders: On December 7th, everyone is invited to join Pack 143 at Papa Gino's on Route 20 for "Papa Gino's Pack 143 Scout Night". The gift certificate sale will continue until Christmas - Great Stocking Stuffers.

December 15th will be our annual Christmas Party. Also, a celebration for **MIKE MONTIVERDI, JOHN O'TOOLE**, and **JONATHAN MOORE** for earning the Parvoule Dei Award, and **MATTHEW BURNS** for the God and Family Award. These are the first religious awards received by scouts in the pack for several years. For their hard work, this month's pack 143 **"BEST SHOW IN TOWN"** award goes to these scouts.

Reminder to the boys: Scouts, start your engines - for the Pine Wood Derby is coming to town again in January!

Bruce Davis

Worcester Area Musical Groups Collaborate on Performance of "Saint Nicolas"

The All Saints Choir of Men and Boys, the Saint Cecilia Choir of Girls, the Worcester Youth Chorus (Malama Robbins, director), and the Whitinsville Christian School String Ensemble (Joann Kuder, director), will collaborate to present two spirited performances of Benjamin Britten's holiday classic, Saint Nicolas.

The first performance will be at All Saints Church, 10 Irving Street, Worcester on Sunday, December 6 at 5:00 p.m.

An encore performance will be held at the Village Congregational Church, Church Street, Whitinsville, on Wednesday, December 9 at 7:30 p.m.

Providence based tenor Bradford Logan will sing the title role of Saint Nicolas. The conductor of this yuletide cantata will be Ronald Stalford, the Organist/Choirmaster of All Saints Church.

Admission is free to both performances.

Saint Nicolas, composed by Benjamin Britten, with text by Eric Crozier, was written in 1948 and premiered at the first Aldeburgh Festival that same year. The score is written in nine movements, each depicting a pivotal episode in the life of Saint Nicolas. A unique feature is the audience participation in two popular hymns.

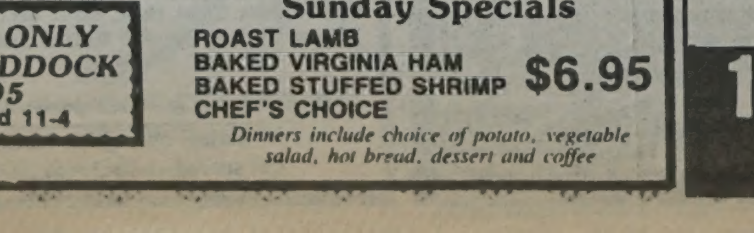
Wildlife Artist To Be Featured at Mass. Audubon Open House

WORCESTER. On Friday, December 4th, from 4:00 to 6:00 p.m., award winning wildlife artist John Sill will present his works at the Mass. Audubon Society's Holiday Open House in the lobby of the Denholm Building on Main Street. Those attending will have a special opportunity to purchase Sill's watercolors of song birds, water fowl, and birds of prey in their natural habitat. This event marks Mass. Audubon's second year in Worcester. The gift shop will be open as well.

The show and sale will feature paintings of barnswallows, ruby-throated hummingbirds, blue wing teals, house wrens, and hawks. In addition, handsomely detailed sketches of birds will be exhibited including cedar waxwings, downy woodpeckers, killdeer, and warblers. These unique watercolors were painted especially for this event. For over five years, Sill's vibrant depictions of birds have appeared in many Mass. Audubon publications including the popular Bird Identification Calendar.

Proceeds from the sale of Sili's work will benefit the Society's Fine Art Collection which contains original world famous works of John James Audubon. "This fine Arts Collection enhances one's sensitivity to the beauty of wildlife," said Dr. Gerard A. Bertrand, President of the Mass. Audubon Society.

The public is invited to attend.



Assumption PTG Christmas Supper

MILLBURY. The annual Christmas Pot Luck Supper of the Assumption School Parent Teacher Guild will be held on December 10, 1987 at 6:00 p.m.

Following the dinner, there will be music and entertainment.

What's the Difference?

By Pat O'Leary & Larry Ham

HOW TO PLAY: The answers to the two clues rhyme and the beginning consonant sounds are switched. For example: What's the difference between a neckwear fastener and a metal pan for baked desserts? One is a TIE PIN and the other is a PIE TIN. Sound counts, not spelling.

1. Manufacturing bed linens and vibrating steaks?
   _____ and _____
2. A not-so-good dish of greens and a sorrowful love song?
   A _____ and a _____
3. Letting a printing machine fail and supporting a lady's garment?
   _____ a _____ and
   _____ a _____
4. Pestering an ugly old lady and embracing a (grocery) sack?
   _____ a _____ and
   _____ a _____

6-25

ANSWERS: 1. Making sheets and shaking meats. 2. A bad salad and sad ballad. 3. Dropping a press and propping a dress. 4. Bugging a hag and hugging a bag.

Sutton Students Visit Old Sturbridge Village

SUTTON. On November 19 and 20, 7th grade students from the Sutton Middle School visited Old Sturbridge Village. The village is a living history museum which shows how people lived and worked in a rural, agricultural community 150 years ago. The houses, shops, farm fields, roads, and fences are all part of a recreated 19th century environment. Historically dressed staff recreate the work and leisure activities of the people who lived in these New England communities.

Sutton Students to View Performances at Berklee

SUTTON. On Thursday, December 17th, 53 junior English class students from Sutton Memorial Jr./Sr. High School will travel to the Berklee Performance Center in Boston to view a production of Triple Billing. They will be accompanied by their teachers, Mrs. Beverly Johnson and Mr. James O'Dea.

Triple Billing will feature three of Edgar Allen Poe's stories in dramatic form: ***The Black Cat***, ***The Tell-Tale Heart***, and ***The Facts in the Case of M. Valdemar***. In addition, Shirley Johnson's powerful tale, ***The Lottery***, will be performed, as well as Mark Twain's humorous yarn, ***The Invalid's Tale***.

Before returning to Sutton, students will also enjoy lunch and sightseeing at the Faneuil Hall-Quincy Marketplace.

CHRISTMAS ON THE COMMON

MILLBURY. The Millbury Parks and Recreation Commission will hold its annual "Christmas on the Common" on December 12, 1987 (raindate 12/13) from 10:00 a.m. to 2:00 p.m. Santa will be there with surprises donated by the Millbury Police Association. Don't forget to bring your cameras.

Performing Arts School Announces December Schedule

WORCESTER. The Performing Arts School of Worcester, 29 High Street, has announced the following schedule of events for the month of December:

DECEMBER 10: Student recital at 5:00 p.m., 29 High Street. Students of varied ages will perform on a variety of instruments. The public is invited and there is no charge for admission.

DECEMBER 15: At 7:30 p.m., the brand new Worcester Youth Symphony Orchestra, under the direction of Toshimasa Francis Wada, will present its inaugural concert in the theatre of the Performing Arts Center, 6 Chatham Street, Worcester. Thirty-seven young musicians from age eight through high school seniors will perform works by Offenbach, Rossini, Beethoven and Bartok.

A Holiday Open House will immediately follow, and refreshments will be served. Tickets, at $1.00 for P.A.S.O.W. families and $2.00 for the general community, may be purchased at the School.

DECEMBER 21: Student Music Recital, 29 High Street, at 5:00 p.m. Students of all ages and all levels of proficiency will perform on diverse instruments. This event is free and open to the publi c.

For further information on any of these events, call 755-8246.

Sutton High French Classes to Attend Bilingual Production

SUTTON. The French classes of Sutton High School will attend a bilingual production of Saint Exupery's ***Le Petit Prince*** (The Little Prince), on December 16 at Smithfield High School. The story comes alive through the magic of mime, story, song, and dance.

National Home Health Care Week

MILLBURY. During National Home Health Care Week, November 29-December 5, the District Nursing Society is planning a series of events. More than 60 Visiting Nurse Associations across the state will be planning similar events.

"We feel it's more important than ever before to remind people that home health care and the District Nurses are here to help them. There have been substantial changes in the health care environment. Many people are confused by these changes. They aren't sure what's available to them. For more than 76 years, the District Nursing Society has been building a commitment to the communities we serve. I think it's appropriate during this week to remind the public that we are here, that we plan to continue to serve them in their homes and communities," said Betty Hamilton, Executive Director of the District Nursing Society. One event planned to highlight this week is a breakfast reception for legislators at the State House on December 1st.

The District Nursing Society is a member of the Visiting Nurse Associations of Massachusetts, Inc. (VNAMI) and participates in making people aware of VNAs and the services they offer.

The District Nursing Society is a non-profit, home health care agency which serves the communities of Millbury, Sutton, Auburn, Oxford, Shrewsbury, Uxbridge, Northbridge, Whitinsville, Douglas, East Douglas and Worcester. Its services include skilled nursing, physical therapy, speech therapy, occupational therapy, medical social workers, home health aides, homemakers and friendly visitors.

MS Society Announces Plans for U.G.L.Y. Bartender Contest

Celebrating a seven-year tradition of bartenders against multiple sclerosis, bar/restaurants throughout Massachusetts are preparing for the 1988 U.G.L.Y. Bartender Contest. Sponsored by Anheuser-Busch and Budweiser distributors, the contest will begin on February 1 and culminate March 1 when all votes are counted (1 vote = 25 cents). The bartender who has raised the most money is crowned the U.G.L.Y.est" bartender in Massachusetts. (U.G.L.Y. is an acronym for Understanding, Generous, Loveable You.)

"Massachusetts Bartenders broke a national record last year by being the first to surpass the $300,000 mark in the history of this eight year campaign," said Steve Nelson, linebacker for the New England Patriots and Honorary Chairperson of the campaign for the third consecutive year. "Between the fun the contest provides and the good feeling generated by supporting such a worthy cause, the U.G.L.Y. Bartender Contest is a real winner."

Providing special incentive for this year's participants, the bartender who earns the most U.G.L.Y. votes will win a 7-day cruise for two on the Mexican Riviera. In addition, all bartenders who raise $3,000 or more will join fellow contenders from across the country for a 4-day National U.G.L.Y. Convention in Ft. Lauderdale, Florida.

Since 1979, bartenders have proven their commitment in the fight against multiple sclerosis, raising more money for MS than any other profession. MS is a disease of the central nervous system which affects over 6,000 families in Massachusetts. Currently, neither the cause nor cure are known. Money raised will be used to provide local services for Massachusetts residents with MS and to support ongoing national research efforts.

Mass. Congress of Lakes and Ponds Meets in Sutton

The Massachusetts Congress of Lake and Pond Associations, Inc. (COLAP) at its recent state-wide Board of Directors meeting held in Sutton, presented an alert to those present that they need to be sure that all local problems are included in the Commonwealth of Massachusetts Executive Office of Environmental Affairs list of non-point sources of pollution.

Upland areas producing siltation (erosion of soils), improperly operating septic or sewerage systems, or other forms of pollutants are considered non-point sources of pollution. The Environmental Protection Agency (EPA) amended the Clean Waters Act to include a provision for non-point sources of pollution. States can obtain monies from the Federal Government to assist in the state-wide clean up of pollution sources. However, two criteria must be met by each state. First, Massachusetts must identify by listing the areas considered to be pollution sources. This is accomplished by the Division of Water Pollution Control (DWPC) transferring onto a map and producing back-up data on all of the known problem areas.

In an attempt to assist in updating their data, the DWPC sent a letter to all of the 351 Massachusetts Conservation Commissions asking for their assistance. As many local Commissions are so overburdened with regulatory authority, COLAP was concerned that many will not respond. Ruth Kaminski, Executive Director of COLAP, told those in attendance that they should make sure that the DWPC is aware of all sources. "If your problems are not identified at the onset, you will not be able to obtain funding to assist in the clean up."

The Massachusetts Congress of Lake and Pond Associations, Inc. urges all Lake and Pond residents in Massachusetts to contact their local Conservation Commission and/or the Massachusetts Division of Water Pollution Control to see that the areas causing problems for them are included in the documentation process.

The second criteria, as set forth by EPA to states, is to have them provide a management program to set in motion the ultimate clean-up of all non-point sources of pollution. In Sutton, Ms. Kaminski stated, "If we are to continue to have lake and pond restorative programs and we do not address the causes of pollution to our water bodies, we are the cause of our lake and pond pollution problems - and this is a step in the right direction toward this goal."

Citizens concerned that local pollution problems may not be identified should contact Eben Chesbrough, Commonwealth of Massachusetts, Division of Water Pollution Control, Lyman School, Westboro, MA 01581.

The first criteria, providing a listing of non-point pollution sources for Massachusetts, is expected by the EPA the second week in December. Therefore, lake and pond associations and concerned citizens are urged to waste no time in responding.

WPI Anounces Fine Arts Presentations

WORCESTER. The Manhattan Marimba Quartet, scheduled to appear on Monday, December 14, 1987 at 8:00 p.m. in Alden Hall on the Worcester Polytechnic Institute campus has been cancelled. No other performance will be booked in its place.

An invitation is extended to the community to attend the following Fine Arts presentations at WPI:

February 1: Michael Webster, Clarinetist
February 12: Dizzy Gilespy, Jazz Worcester
February 15: Makoto Ozone Trio - Jazz Worcester
February 16: Allen Ginsberg - Poet
February 29: American Vocal Arts Quintet

Performances will be held in Alden Hall, beginning at 8:00 p.m., with the exception of the February 12th performance, which will be held in Harrington Auditorium. For ticket information, contact WPI.

What's the Difference?

By Pat O'Leary & Larry Ham

HOW TO PLAY: The answers to the two clues rhyme and the beginning consonant sounds are switched. For example: What's the difference between a neckwear fastener and a metal pan for baked desserts? One is a TIE PIN and the other is a PIE TIN. Sound counts, not spelling.

1. A silent actor on the sandhill and 10 cents on the lunar body?
A [ ][ ][ ][ ] on the [ ][ ][ ][ ] and a [ ][ ][ ][ ] on the [ ][ ][ ][ ]

2. Ending abruptly and closing a trial-room?
[ ][ ][ ][ ][ ][ ][ ][ ][ ][ ][ ][ ][ ] and [ ][ ][ ][ ][ ][ ][ ][ ][ ][ ][ ][ ][ ]

3. A phony director and a large pond's tributary?
A [ ][ ][ ][ ][ ][ ][ ][ ][ ] and a [ ][ ][ ][ ][ ][ ][ ][ ][ ]

4. Bunny farming and an uncommon fraternity initiation?
[ ][ ][ ][ ][ ][ ][ ][ ][ ][ ] and a [ ][ ][ ][ ][ ][ ][ ][ ][ ]

ANSWERS: 1. A mime on the dune and a dime on the moon. 2. Cutting short and shutting court. 3. A fake leader and a lake feeder. 4. Hare raising and a rare hazing.

WINTER PARKING REGULATIONS

MILLBURY. Effective December 1, 1987 to April 1, 1988, no person shall park a vehicle on the following streets, or parts of streets, between the hours of 1:00 a.m. and 6:00 a.m. on any day:

BEACH STREET
BRANEY ROAD

BURBANK STREET - no parking from the Sutton-Millbury Town line to a point 110 feet South of Burbank Street's intersection with West Main Street.

CANAL STREET
CHURCH STREET
CURVE STREET
DOLAN ROAD
ELM STREET
GROVE STREET
HAMILTON STREET
HIGHLAND STREET
HOWE AVENUE
LESLIE LANE
MAIN STREET
MAPLE STREET
MEMORIAL DRIVE
MILES STREET
RHODES STREET
SOUTH MAIN STREET
STOWE ROAD
SULLIVAN PLACE
SUMMER STREET
SUNSET DRIVE

SYCAMORE STREET - no parking on the Southerly side

WATER STREET
WEST STREET

WEST MAIN STREET - exception: Parking is allowed on the Westerly (even) side from Gould Street to Rhodes Street.

WHEELOCK AVENUE

Also effective December 1, 1987 to April, 1988, no person shall park a vehicle on the odd numbered side of any street between the hours of 1:00 a.m. and 6:00 a.m. of any day.

Also effective December 1, 1987 to April 1, 1988, no person shall park a vehicle upon any street after 2" of snow has accumulated.

The established fine for parking on a primary artery during the Winter Parking Ban is $10.00 for each offense; for parking on a secondary artery is $5.00 for each offense, for interfering with snow removal or for parking after 2" of snow is $15 for each offense.

As provided by Massachusetts General Law, Chapter 90, Section 18, the Board of Selectmen has voted, upon the written request of the Tiffany Townhouse Association, Inc., that no person shall park a vehicle on Tiffany Circle, except in marked spaces, between the hours of 1:00 a.m. and 6:00 a.m. of any day, effective December 1, 1987 to April 1, 1988.

Millbury Board of Selectmen

Millbury Women's Club Meeting

MILLBURY. The Millbury Woman's Club will hold its next meeting on Monday December 7 at noon. All members are asked to bring their donations of canned food or paper goods for Abbey House. Each member will also be asked to provide her total yearly hours of volunteer service.

The co-chairwomen of this event are Martha Stafinski and Ruth Stafinski and their committee will include the entire executive board. Following the monthly luncheon, the Greendale Retired Men's Club Chorus will present a program of popular selections as well as familiar Christmas songs.

HOUSTON TO HOST HOLIDAY CELEBRATION

WORCESTER. Senator John P. Houston will host a Holiday Celebration on Saturday, December 12, at the Main South American Legion Post No. 341, 1023 Main Street, Worcester, from 2:00 p.m. to 5:00 p.m.

Refreshments will be served. The event is free and open to the public. A donation of a toy for a needy child will be accepted for distribution to local neighborhood centers.

Senator Houston (D-First Worcester and Middlesex) represents Wards 5-8 in the city of Worcester and the towns of Grafton, Hopedale, Hopkinton, Leicester, Millbury, Northboro, Southboro, Upton and Westboro.

PRE-BUSINESS WORKSHOP

WORCESTER. A pre-business workshop will be held on Tuesday, December 8, from 5:30 p.m. to 9:30 p.m. in the Foster Room of the Student Union at Worcester State College.

The Workshop is being run by the Worcester Chapter of SCORE, the Service Corps of Retired Executives, which is sponsored by the United States Small Business Administration.

This workshop is designed to provide basic information for persons interested in starting their own business. Topics will be presented in a format that will provide a step by step approach to starting and operating a small business.

Speakers at the Workshop will include Arthur Spugnardi, former Vice President of Gilchrists; Marie Record, Chief of the Small Business Administration's Finance Division in Boston; Robert Oliver, Business Development Specialist with the Small Business Administration in Boston; Mark Love, CPA, and Paul Rogers, CPA with the accounting firm of Peat Marwick Mitchell in Worcester; and Attorney Andrew O'Donnell of the law firm of Mirick, O'Donnell, DeMallie & Lougee in Worcester.

Among the topics to be covered will be sources of information, preparation of a business plan, loan applications, record keeping, financial statements, forms of business organization, and federal and state laws applicable to small business.

There is a $10 registration fee which includes all materials. For more information, please contact the Worcester SCORE Chapter, c/o Worcester Area Chamber of Commerce, 33 Waldo Street, Worcester, MA 01608, or phone (617) 753-2929.

Planetarium Shows For Children of All Ages

FITCHBURG. The Alice G. Wallace Planetarium, 1000 John Fitch Highway, Fitchburg, has announced that the programs Winter Wishing Star and The Christmas Star will be shown again this year on December 6, 13, and 20 at 2:00 p.m. and 4 p.m. respectively.

Winter Wishing Star is recommended for families with preschoolers to nine-year-olds. During this program, the audience will journey to the North Pole, via planetarium special effects, to search for the lost Winter Wishing Star. Some very interesting characters will be encountered along the way and there may even be a little glimpse of Santa! If the Star is found, the audience will have the opportunity to make a special Christmas wish.

The Christmas Star is recommended for ages 9 to adult. This program takes a comprehensive look at the famous Star of Bethlehem, blending readings from the New Testament with astronomical theory. There will also be a study of the current winter sky included with this presentation.

Additional time-slots and programs are available for reservation by groups. Thanks to funding from the Massachusetts Council on the Arts and Humanities, a state agency, Massachusetts certified schools, grades K-12, are admitted to planetarium programs free of charge when they come as a group, with teachers, as part of their school curriculum. Teachers and chaperons accompanying these groups are also admitted at no charge.

Planetarium programs are multimedia productions shown in the 40-foot high dome of the Sky Theatre. Visitors entering the Sky Theatre will first pass through the Gallery of the Universe, a black-light gallery exhibiting mural-style paintings of some fantastic deep space objects! Recorded message phones along the way inform visitors about what is being viewed.

For more information or reservations, call 343-7900.

West Sutton Baptist Church Announces December Programs

The West Sutton Baptist Church has announced the following special dates during December for church programs:

DECEMBER 6, 9:30 a.m. - second Sunday in Advent and Communion being observed. After the service, a Christmas Tree Decorating Party and coffee hour.

DECEMBER 13, 9:30 a.m. - The third Sunday in Advent and the dedication of the new hymnals.

DECEMBER 17, 7:30 p.m. a Christmas concert by the Worcester Community Chorale at the church.

DECEMBER 20, 9:30 a.m. - Christmas Sunday Christmas Cantata by the church choir - "Night of Miracles" by John Peterson.

DECEMBER 24, 7:30 p.m. - Buffet at the church, 9:00 p.m. Candlelight Service, special music. All welcome.

SUTTON STUDENTS TOUR STATE HOUSE

BOSTON. Members of the Sutton High School Senior Class recently visited the Massachusetts State House. The students, accompanied by Mr. David Muradian and Mr. Paul Henrickson, toured the historic halls of the 18th century building.

Representatives Richard T. Moore (D-Uxbridge) and John R. Driscoll (R-Northbridge) addressed the group in the Chamber of the House of Representatives.

Before leaving Boston, the group toured Quincy Market along the restored waterfront section of the City.

Nelson concluded the discussion by stating that his committee is preparing an inventory of the town's capital equipment, which hasn't been done for 12 years. In addition, he told board members that the committee may be coming to the board for their support if they have any problems with any of the town departments.

Nelson also recommended Nancy Prior to replace Tom Fox who declined re-appointment to the Capital Budget Committee. The Board approved her appointment.

- The Board met with Fred McConaghy, President of the Tiffany Circle Townhouse Association. McConaghy had written a letter, on behalf of the private association, seeking the Board's support in enforcing violations of parking regulations voted by the Board of directors. McConaghy noted that the violations that did occur were by a minority of people who were probably guests of tenants in the private development.

McConaghy drew a schematic drawing on the blackboard, showing the location of buildings and the 113 designated parking areas. He noted that the original developers had provided parking spaces per unit but that the problem the association was attempting to resolve concerned parking in areas of the private street that hinder traffic and snow plowing.

Selectman Wynton Adams cautioned that extending services to a private association of tenants could bring demands from future developers and private tenant associations. Cristo stated that the town would only be extending services already existing to this area and that it was crucial from a public safety standpoint.

After several minutes of discussion, the board voted unanimously to extend the town's parking ban, under a special condition regulation, to Tiffany Circle. The parking ban will allow the police department to tag or tow violators who are not parked in the designated parking areas. Cristo suggested that a plan showing the designated parking areas be given to the police department to assist them in enforcing the new parking ban.

Following the vote, Selectman Roland Lachance stated that he thought the board was "opening Pandora's Box." Adams concurred, indicating that the board may be dealing with similar issues later on with other developers. Cristo replied, "If it doesn't work out, we can rescind our votes."

- Cristo moved the meeting back to items under "Old Business". Chase informed the Board that grant monies for downtown parking were contingent upon the Senate debate going on in the legislature.

- The bids for restoration work at the Waters Mansion are being advertised.

- Chase reported that BSC Engineering is proposing an alternative process for handling sediment and sludge from Dorothy Pond as part of the Restoration project. He noted that a 50 foot dike would be constructed across a section of Dorothy Pond that would reduce the amount of sediment removal from 40,000 cubic yards to 6500 cubic yards. Adams stated that he had some questions and concerns about the dike proposal and requested that a representative be made available to discuss the matter with the board at a future meeting.

- Chase stated that the Department of Environmental Quality Engineering reported that there were 3 leaks in existing vents at the Lewcott Corporation and also leaks in the incinerator itself. He added that Lewcott is working to resolve the problem.

- Chase reported that town counsel stated that a special act of the legislature would be required to include the sewage commission under a proposed Department of Public Works structure. Selectman John Donnelly, as chairman of a study committee for a town department of public works, had requested town counsel's opinion.

Cristo suggested that Donnelly and his committee meet with town counsel concerning questions on including other town departments under the proposal. Adams had raised a question on the legality of eliminating elected positions held under the present structure. Adams noted that it looked like it would take at least another year to come up with a proposal for town meeting approval; Donnelly agreed.

- A discussion developed concerning the restoration of sidewalks. The discussion centered on a letter from the highway surveyor listing sidewalks in need of repair.

Adams noted that the sidewalk from Sutton Road to Elm Street, on West Main Street, was in disrepair and more in need of restoration than some other sections of town. Cristo suggested that the Board get together with the Highway Surveyor to establish a plan.

- After some discussion, the Board took no action on appointing County Special Police for road duty work. Both Donnelly and Lachance concurred that if there are no Millbury Police willing to perform off duty work that private contractors should hire tag men for traffic duty on road construction projects, thus freeing the town from any liability.

- Chase reported that the police department is getting prices on time recording equipment to assist in video monitoring of cells under compliance with the suicide prevention law.

- Chase informed the board that his research of files at the County Commissioner's office showed that the hearing concerning Dwinell Road was in compliance with statutes. He noted that statutes require only that the hearing be advertised and that the records in the file show that this condition was complied with.

- Adams asked about the status of 2 buildings in the center of town. Chase reported that both buildings have been condemned by the building inspector and are to be town down. He also noted that one of the buildings has been sold.

- The Board decided to look at the water hole at the "Old Common", to be used by the fire department in emergencies. Adams suggested that Surveyor Hunter Greenwood be present to show the Board the old road way which borders the waterhole area.

- Under "New Business", the board voted approval of the following:

A street opening on Latti Farm Road for J & D Leasing, requested by Norman Chase.

A memorandum of agreement for Chapter 199, Acts of 1987, for the sum of $39,020 for street reimbursements.

Middle School Awarded Grant

WORCESTER. The Alliance for Education has awarded small grants totaling $5,500 for school public relations programs in Worcester and Worcester County. Twelve projects, based on this year's theme, "Reaching New Audiences", have received funding made possible by a Public Education Fund grant.

One of the recipients of a grant was the Shaw Middle School in Millbury for "CENTS-itive Learning" a project for calendars promoting the Middle School.

Home Health Care Threatened

To the Editor:

There has never been a more important time to stress the vital role of home health care.

Congress has declared this week, November 29 through December 5, as National Home Health Care week. A time to highlight the services of home health agencies across the country. A time to applaud the contributions of each and every staff person who daily makes visits to ill, recuperating, disabled and even terminally ill patients in their homes. A time for home health agencies to thank their supporters and clients.

This year, more than any other, this week carries great significance to home health agencies from across Massachusetts for this is the first time that the very existence of home health agencies is being threatened.

Some of the oldest home health agencies in the country are right here in the Commonwealth. For more than a century, visiting nurses have been available to help those who needed care regardless of their ability to pay.

Yet this year that tradition of caring is in jeopardy. For more than 10 months now, the District Nursing Society of Millbury and almost 100 other home health agencies in Massachusetts have been fighting the growing Medicare home health benefit denial trend.

Unprecedented amounts of home visits to Medicare patients are being denied payment by Blue Cross of Maine, the fiscal intermediary who holds the contract for processing medicare claims for our area. What's alarming is that no Medicare guidelines have changed. Yet what was covered by Medicare two years ago may no longer be considered "appropriate" care. In 1986, the District Nursing Society suffered a retroactive Medicare denial loss of over $10,000.00 and in 1987 over $8,300.00 in services provided under Medicare have been denied. While the home health agency or the patient may appeal these denials, very few are overturned by the intermediary and the process is extremely expensive for the agency and overwhelming for the patient.

The denials are tragically affecting thousands of elders across the state and also right here in your town, possibly even someone you know.

Terminally ill lung cancer patients, disabled individuals with acute symptoms, heart disease victims, people who have had their hip replaced, persons recuperating from surgery have all had some of the home visits denied. Essentially, Medicare is telling us and them that these patients did not need the care they received.

The Health Care Financing Administration (HCFA), which administers the Medicare program nationally, and Blue Cross of Maine are attempting to limit the availability of home health services to elders. They are attempting to save money by jeopardizing the fragile health and lives of everyone over 65.

Home health care, a traditional, cost-effective and comforting mode of health care for our elders is being threatened.

We at the District Nursing Society, serving Southern Worcester County, and agencies like ours throughout the state are fighting this battle to stop this growing denial problem. But we won't succeed alone.

Think for a moment about home health care and what it might mean to you someday, if not today.

Home health care helps elders who are recuperating from surgery or illness after they are discharged from the hospital. It teaches people how to walk again after a hip replacement or how to maneuver in their home once they're confined to a wheelchair. It provides support services such as meal preparation and bathing for individuals who cannot do these tasks on their own. It helps mothers, children, fathers, grandparents, aunts, uncles and neighbors. If you haven't had to rely on home care yet, you may not be too familiar with its broad range of services.

But, think for a moment about whether you'll ever need it. Or whether anyone in your family will. Then wonder whether it will be there when you do need it.

This week, National Home Health Care Week, is the perfect time to reflect upon the value of home health care and the greatest threat to home health agencies - excessive and arbitrary denials.

It's a perfect time to add your voice to ours in asking for investigations into this denial crisis. Please write to our legislators to tell them about your concerns and that this practice must stop. Call the District Nursing Society Office, 865-3561 for names and addresses and a fact sheet.

MILLBURY PUBLIC SCHOOLS SCHOOL TRANSPORTATION POLICY

At the request of the MillburyTransportation Advisory Committee, the Millbury-Sutton Chronicle has agreed to publish, in its entirety, the newly-adopted School Transportation Policy.

PREFACE

The Millbury School Committee recognizes their duty to comply with the laws of the Commonwealth of Massachusetts, the Massachusetts Registry of Motor Vehicles and the State Board of Education with respect to the transportation of pupils to and from school and other school related activities.

In providing transportation it will be done in a safe, equitable and economical manner with safety being the prime concern.

The Committee recognizes the fact that the regulations of the above agencies may be somewhat deficient and that they may want to exercise their prerogative to provide safer conditions due to age of the children and/or traffic hazards not addressed in the state regulations.

The Committee believes the riding of the school bus is contingent upon the student's compliance with school regulations. Transportation is a privilege which may be lost for failure to abide by these regulations. The parents of the student will then be responsible for that student's transportation.

This policy has been formulated by the Millbury School Committee acting as an autonomous unit and the final decisions relating to its implementation shall be made by the Committee acting as a body. The day to day operations of the transportation system will be run by the Business Manager acting under the supervision of the Superintendent of Schools.

The following policy will attempt to define the various areas of responsibility of the people involved in the school transportation system, such as the School Department, the bus contractor, the drivers, parents, and school children.

Revised September 17, 1987
Second Revision October 8, 1987
Second Reading October 22, 1987
Third Reading November 3, 1987

SCHOOL DEPARTMENT RESPONSIBILITIES

The Millbury School Department shall set up the school bus routes as to routes traveled and the time schedules to be followed. The routes and time schedules shall be reviewed on an annual basis with changes made as needed.

Bus stops will be chosen with safety in mind, but at the same time the time schedule will be considered so that the number of stops will be kept at a reasonable level.

Parental complaints pertaining to scheduling and routing should be made first to the Business Office, and in the event an amicable solution cannot be reached, they will then be brought to the attention of the Superintendent of Schools. If the problem still remains unsolved, the next stop will be to bring it before the School Committee who will make the final decision.

The School Department will be responsible for the administration of the all school bus contracts. It will monitor the condition of the contractor's equipment and the licensing of his employees. Any problems should be brought to the attention of the Business Office. All contracts for the transportation of school pupils shall be in strict compliance with all applicable state and federal laws.

The cancellation of school due to adverse weather conditions or for other reasons shall be determined by the Superintendent of Schools. The cancellation shall be announced over the local radio stations as far in advance as possible.

In order for the school transportation system to function smoothly, the building principal or his designee must accept certain responsibilities. They are as follows:

A. The building principal working with the bus contractor and drivers will maintain discipline on the buses at all times. All discipline problems with students must be reported by the driver to the school building principal in writing. Action taken by the building principal will then be consistent with the rules as outlined in the student handbook.

B. It shall be the responsibility of the building principal to assure that each student is instructed in safe school bus riding practices at least three times each school year. The first time shall be the first week of school, the second time being before December 31st, and the third time being before the end of the school year. The school building principal, working with the safety officer shall conduct school bus evacuation drills at least twice each year.

C. The building principal should also work very closely with parents to solve any of their concerns relating to discipline. In the event they cannot reach an agreement, the parent should contact the Business Office and then the Superintendent's Office and the School Committee as outlined above.

SCHOOL BUS CONTRACTOR RESPONSIBILITY

It shall be the responsibility of the school bus contractor to maintain his equipment so that it is safe, clean, and in good mechanical condition. The equipment should be up to date so that it complies with the latest state and federal specifications relating to school bus equipment.

The school bus contractor shall only employ qualified drivers that hold the proper licenses from the State of Massachusetts.

The bus contractor will run the routes as outlined by the School Department. Any changes in routes or time schedules must first be discussed with the Business Manager and must be approved before the changes are made.

The bus contractor agrees to comply with all the provisions of the General Laws of Massachusetts as they relate to and provide for the transportation of school children and the operation of buses or other vehicles of transportation of school children, and with all rules, regulations and provisions of the Registry of Motor Vehicles of Massachusetts applicable to school transportation.

CONTINUED on Page 21

DRIVER RESPONSIBILITY

Perhaps the most important part of any transportation system is the school bus driver. Their first duty should be the safety of the children they are transporting. Some helpful guidelines they should follow are listed below:

A. Run the route as outlined by the school department, picking up and dropping off students only at authorized stops. If a student wishes to exit at other than their regular stop they must have a written note from the principal. They should maintain the time schedule set up by the school department.

B. Bus drivers should inspect their buses after each trip to be aware of any damage or vandalism.

C. The driver should maintain discipline on their bus at all times, trying to resolve minor problems as they arise. Any unresolved minor problems and all major problems should be reported to the school principal in writing. Should the driver wish to assign seats to help maintain discipline, they should first confer with the building principal. The driver shall not allow any smoking on their bus and any student doing so will be subject to disciplinary action.

D. A bus driver should be friendly to all students but not show any favoritism towards any students. They must be firm and fair and also consistent with their policies.

E. A bus driver should never refuse a ride to a student or put a student off a bus while en route.

F. In the event of a breakdown, the driver should attempt to get a replacement bus as soon as possible. If possible, the driver should notify the school that there will be a delay in the trip. The driver should never leave a bus unattended while there are students on board. Such action could be grounds for dismissal.

G. The bus driver should make sure students are all seated before they start the bus in motion.

H. The operator of any school bus shall not smoke or display a cigar, cigarette, or pipe (lit or unlit) while operating a school bus carrying children, and shall not operate a school bus after having consumed any intoxicating liquor or controlled substances. The operator shall be clean and neat in appearance and abstain from the use of profane or vulgar language in the presence of school children. Passengers shall not be permitted to smoke while riding on a school bus.

BUS DRIVERS WHO FAIL TO COMPLY WITH SMOKING RULES MAY BE SUBJECT TO A PERIOD OF SUSPENSION TO BE DETERMINED BY THE SCHOOL COMMITTEE.

PARENT AND STUDENT RESPONSIBILITY

Transportation by school bus to and from school is a privilege for all pupils. The school bus is an extension of the school itself and rules regarding behavior are the same as in school. It should be understood that the right of a pupil to transportation to and from school is a qualified right dependent on good behavior. Bus stops will be designated by the school department and the parent will be responsible until a child boards the bus.

1. On roads where there are no sidewalks, walk on side facing traffic to and from your bus stop.

2. Be on time at your bus stop, the bus cannot wait for you. We recommend you be at your bus stop five minutes before your regular pick-up time.

3. While waiting for the bus, do not run, push, or play games.

4. Each group will line up and permit the younger pupils to board bus first. Leave the bus promptly at your destination.

5. In crossing the road after alighting from the bus, cross only after the driver signals that it is safe to cross. Pass ten feet in front of the bus and look for the traffic in both directions before crossing the road.

6. Take your seat promptly on entering the bus and remain in it until you arrive at your destination and the bus has come to a complete stop. There will be no standing or saving of seats on the bus.

7. Do not use profanity. Refrain from shouting or making other noises that might distract the driver. The lives of all the children are in his hands --- including your own.

8. The school bus is a classroom on wheels, conduct yourself as you would in school.

9. Do not enter into conversation with the driver while the bus is in motion, but report any emergency to him at once!

10. Be respectful to your bus driver. He has a very important job and he needs your help. His eyes and ears need to be focused on the road in order to drive you safely to and from school.

11. No student should ride home on any other bus than his assigned bus without permission from the principal.

12. All students must get off at their regular stop except when parents have submitted a written request to their school principal and the principal has approved such request.

13. Keep your lunch boxes, books, musical instruments, and athletic equipment out of the aisles. Keep the bus neat and do not mark, cut, or break any part of the bus.

14. There will be no smoking, eating or drinking on the bus. Students who smoke on the bus will be disciplined consistent with the rules and regulations outlined in the Student Handbook.

All students are encouraged to familiarize themselves with the bus rules and subsequent disciplinary procedures as they are outlined in their Student Handbooks. The school principal or assistant principal may suspend bus privileges for misconduct as they are described in the Student Handbook.

NO SUSPENSION TAKES PLACE UNTIL A LETTER IS SENT HOME AND/OR A PARENT CONFERENCE IS HELD. IF A PARENT WISHES TO APPEAL, THE BUSINESS MANAGER ARRANGES A MEETING WITH THE PARENT, THE CONTRACTOR, THE DRIVER AND THE PRINCIPAL TO DISCUSS THE SITUATION.

Millbury High Senior, Cindy Berthiaume, is shown receiving a $200 scholarship award from King Lion, Fred Vulter. She received the award for first prize in the local level of the Lions Club District 33-A Student Speakers Contest. Her speech centered on the theme "Complacency - A Danger to America".

Ms. Berthiaume will now be entered in the District Finals in Sturbridge, to be held in February, 1988.

COLLEGE BOUND? Sutton High to Offer Assistance in Completing FAF Forms

SUTTON. Coping with the ever rising costs of education is a concern of every parent with college-bound students. There are a number of sources of financial aid, but many parents are misinformed or unsure as to their eligibility regarding the application process.

What is most important is for parents to complete the FAF (Financial Aid Form) to determine their eligibility. No financial aid from any college can be awarded without the information from the FAF. In addition, FAF information is necessary to apply for student loans.

On Wednesday evening, December 9 at 7:00 p.m., Michel Perron, Guidance Counselor at the Sutton Memorial Jr.-Sr. High School, will present a workshop on financial aid and will cover the FAF application process in a detailed, line-by-line manner. The workshop generally takes about two hours.

Please call the school if you are planning on attending this workshop to insure that materials will be available for everyone.
